In pursuance of Byelaws of NSE Clearing pertaining to Clearing and Settlement of deals, SEBI circular reference SMDRP/DC/CIR-8/01 dated June 21, 2001, Circular no. 53 (Download no. NCL/CMPT/67750) dated April 29, 2025 and Circular no. 158/2025 (Download no. 69952) dated September 01, 2025 members are hereby informed the procedure for adjustment of Futures and Options contracts in the underlying security PATANJALI FOODS LIMITED, on account of Bonus Issue in the ratio of 2:1.

The 'adjustment factor' for the corporate action shall be 3 and the ex-date for the corporate action shall be September 11, 2025. The following action will be taken by NSE Clearing in this regard.

1. Action by the NSE Clearing in respect of Futures Contracts:

All open positions in futures contracts with the underlying security as PATANJALI existing after End of day on September 10, 2025, will be adjusted as under:

Positions: The adjusted positions shall be arrived at by multiplying the number of contracts in the pre adjusted position by the adjusted market lot. The adjusted market lot shall be as per Circular no. 158/2025 (Download no. 69952) dated September 01, 2025.

Futures Price: The adjusted futures price would be based on the Settlement price of the relevant futures contracts on September 10, 2025. Adjusted futures price shall be settlement price of relevant futures contracts on September 10, 2025, divided by 'adjustment factor'.

Adjusted value: In order to avoid difference arising due to rounding off of adjusted settlement price, the carry forward/adjusted value shall be computed by multiplying pre adjusted futures long/short quantity with pre adjusted settlement price. Accordingly, all positions in futures contracts with the underlying security as PATANJALI would be marked-to-market on September 10, 2025, based on the daily settlement price of the respective futures contract. Further, the adjusted positions would be carried forward at the adjusted value.

From September 11, 2025, daily mark to market settlement of futures contracts with the underlying security as PATANJALI would continue as per normal procedures.
