Availability of Data of MCX iCOMDEX® Energy Index

In terms of the provision of the Rules, Bye-Laws and Business Rules of the Exchange and further to the Exchange Circular No: MCX/ Indices/ 805 /2020 dated October 28, 2020 and Exchange Circular No: MCX/ Indices/ 209 /2021 dated April 1, 2021, Members of the Exchange are informed as under:

MCX had launched the MCX iCOMDEX® Energy Index (MCXENRGDEX®) on 28 October 2020. This sectoral Index under the MCX iCOMDEX series has Crude Oil and Natural gas as commodity constituents, represented by the single commodity indices, MCX iCOMDEX Crude Oil Index (MCXCRUDEX®) and MCX iCOMDEX Natural Gas Index (MCXNGASDEX®). The index values are updated on continuous basis and displayed on the Exchange website. The market participants can also get desired data feed including real-time data of these indices from their data vendors.

Besides live data feed, the historical close values of MCXENRGDEX, as well as its constituents, MCXCRUDEX and MCXNGASDEX, are available from 31 December 2015 on MCX website. Additionally, the Open, High, Low and Close values of these indices are also available from December 20, 2019 on the MCX website.

The Exchange will soon be announcing the launch date of futures on MCX iCOMDEX® Energy Index (MCXENRGDEX®). The details of the contract specifications and approved contracts are provided in MCX Circular no. MCX/TRD/545/2021 dated August 24, 2021.

Members are requested to take note of the above.
