Delisting of MCX Registered Indian Refined Lead Brand 'EMI'

MCX has initiated the process of empaneling Indian Refined Lead Producers as per the criteria laid down in 'Principal Document for MCX Registered India Refined Lead Brands' placed on MCX website. In terms of the provisions of the Rules, Bye-Laws and Business Rules of the Exchange, the Members of the Exchange are notified as under:

MCX has delisted the following Refined Lead Brand towards the settlement of Lead Contracts traded on MCX with immediate effect.

1) Eswari Global Metal Industries Private Limited

Plant Address	Brand name
Plot No. 101 A&B, Industrial Area, Baikampady, Mangalore, Karnataka – 575011	EMI

Once the inventory of EMI Lead brand is depleted, it will no longer qualify as 'Good Delivery' for MCX Lead and Lead Mini Contracts.

For clarity, once the EMI Lead Brand is withdrawn from MCX accredited warehouses, it will no longer be valid for delivery-based settlement.

The Exchange shall notify from time to time, the names of the empaneled refiners who have qualified for empanelment as per the Principal Document for MCX Registered Indian Refined Lead Brands to be delivered on the Exchange to settle Lead Futures contract. Kindly note that this delisting is refinery specific for each empaneled producer.
