### Logistic Charges for Bullion

---

Members may receive delivery for MCX Gold contracts on settlement of the contract at one of the following delivery centres as per the MCXCCL delivery settlement procedure.

Commodity	Base Delivery Centre	Additional Delivery Centre(s)
Gold and Gold Mini	Ahmedabad	Chennai, Hyderabad, Kochi, Bengaluru, Kolkata, Mumbai and New Delhi
Gold Guinea	Ahmedabad	Mumbai and New Delhi
Gold Petal	Mumbai	Ahmedabad and New Delhi

Market participants who wish to withdraw the goods after receiving the delivery from MCXCCL are required to physically lift the goods from the MCXCCL accredited Vault (MAV).

It has been observed that most of the delivery is taking place at the Base Delivery Centre. Market participants from other than the base delivery centre have to make their own arrangements for movement of the goods to their destination. Some members have expressed the difficulty being faced in accessing the services of logistics for movement of goods, which deters clients from participation.

Accordingly, the matter was taken up with the Logistics Service Providers (LSP) regarding facilitating movement of bullion bars/coins from base delivery centre(s) to additional delivery centre(s) irrespective of the size of the bar/coin at standard charges and terms.

**Sequel Logistics Pvt. Ltd.** (LSP) has submitted a Schedule of logistics charges for transfer of bullion bars/coins from MAV of Sequel Logistics Ltd at the based delivery centre to additional delivery centre with option of taking delivery from the Vault or Door delivery.

All Members and their respective constituents who wish to avail logistic services are requested to refer to the terms and commercial charges provided by the said LSP available at MCXCCL website (Link - <https://www.mcxccl.com/warehousing-logistics/others>). Any update or addition on the schedule of logistic charges shall be provided in this link.

This service is provided by the LSP at the request of the market participants and will be treated as bilateral arrangement between LSP and the market participant. MCXCCL have no role and responsibility with regards to logistic arrangement, Services, Charges etc. provided by the LSP and any grievance related to the logistics services shall be directly taken up by the market participant with the concerned LSP.

All Members and their respective constituents are requested to take note of the same.
