6. Members will also have a facility for on-line real-time give-up of bids to the Custodians for their confirmation. In such cases, on confirmation of 100% margin bids by Custodians, the cash collateral of the Custodians will be directly adjusted upfront on an on-line real-time basis without adjusting the bidding Member's cash collateral. For this purpose, the bid entry screen would enable the Member to give up bids to Custodians at the time of bidding. However, such bids will be treated as incomplete bids and will be given temporary bid ids till confirmation by the Custodians. Once these 100% margin bids are accepted by Custodians via RTRMS, the bids will be treated as confirmed bids. If the 100% margin online given-up bids are either rejected by the Custodians or not confirmed by the Custodians till end of the bid session on T Day & T+1 Day (for the bids of T+1 Day) (by 3:30 PM), then such bids will be treated as cancelled and will accordingly lapse.
7. The following orders shall be **valid** in the OFS window:
- Orders with 100% of margin paid upfront by institutional investors and non-institutional investors. Such orders can be modified or cancelled at any time during the trading hours.
  - Orders without paying upfront margin by institutional investors only. Such orders cannot be modified or cancelled by the investors or stock brokers, except for making upward revision in the price or quantity.
